

Connie Hillman Family Foundation House

Transitional Living Program for Moms & Children

Safe, Sober Transitional Living Program Designed for Women & Their Children

- 15-unit gated apartment complex plus one community room and office.
- Four two-bedroom units, three one-bedroom units and eight studio units.
- Residents are pregnant, postpartum and parenting women with young children. Women involved with the Department of Child Safety (DCS) are encouraged to be in treatment here while working to reunify with their children.
- Residents are required to be enrolled with CODAC and actively engaged in substance use treatment in one or more of CODAC's programs.
- Residents are required to participate in on-site groups throughout the week.
- Once employment is secured, residents will be required to contribute Program Fees.

Support & Community Groups Provided On-Site

Treatment is based on a comprehensive, goal-oriented, solution-focused and client-centered approach that meets the social, psychological and physical needs of the client/resident.

Services on-site include (but are not limited to):

- ON-SITE PEER SUPPORT 7 DAYS A WEEK, 8AM - 9PM.
- ON-SITE NURSING PEDIATRIC DEVELOPMENTAL SPECIALISTS that follow families for two years post-discharge.
- Parenting skills groups with a focus on
 - emotional and behavioral development.
 - how to care for a baby, calm a fussy child, when to call the doctor, signs to be concerned about, etc.
- Relapse prevention and trauma-related support groups.
- Lactation, nutrition and wellness consultation.
- Community-building and fun activities.
- Employment and education support, and more!
