COMMUNITY DISCUSSION WITH TUCSON POLICE DEPARTMENT:
LGBTQ SAFETY & VIOLENCE

Tucson, AZ (June 11, 2015) – On Friday, June 12, 2015, the Living Out Loud LGBTQI Health & Wellness Center and Tucson Police Department will host a community discussion about safety and violence concerns among the LGBTQI community. The Community Discussion will take place from 1:00 p.m. to 2:00 p.m. at CODAC at Broadway, 3130 E. Broadway Blvd, Tucson.

LGBTQI individuals face high levels of harassment and violence on Tucson streets, a trend which the Tucson Police Department is concerned about.

TPD officers will share information about harassment and community violence, provide tips on how to keep safe, and guide participants in navigating resources within the Police Department, such as filing a police report and reporting harassment.

###

Founded in 1970, CODAC Behavioral Health Services is one of Arizona's oldest and most respected specialty providers of family development and integrated health care services. The Living Out Loud Health & Wellness Center opened in December, 2014 and is Arizona's first integrated primary care, behavioral health care and wellness center for the LGBTQI community.
